Data Protection Act

Your data, including your first name, last name, and/or company name, email address, and ID, are used exclusively for commercial communications related to the purposes of our local services. If you are already our customers, you have received or are receiving our privacy policy pursuant to Article 13 of Regulation (EU) 679/2016. If you are not yet a customer, your email address may be used for periodic communications regarding commercial offers and updates on our services. Your email address is not visible to other recipients nor shared with third parties outside of our premises. Your data is carefully stored until you specifically request its deletion, which can be sent by email to the data controller, Davide Stefano Olgianti, at addcoloramsterdam@gmail.com, in compliance with Regulation (EU) 679/2016.

Data collection and processing

Automatic data collection

When you access our website, your device automatically transmits some data for reasons Technical. The following data is stored separately from any other data you may send us.

Cookies

We use cookies to provide you with a wide range of features and improve your browsing experience. "Cookies" are tiny files stored on your computer through your browser. If you don't user. If you wish to receive cookies, you can disable the option to store cookies on your computer. by changing your browser settings. Please note that the correct functioning of the site may be compromised and its functionality limited if you disable Cookies.

In particular, we use the following cookies:

Cookies to store your preferred languages and custom settings

Cookies with an individual identifier to re-identify your browser (for further details, see the following section)

Anonymous user profiles

We use a cookie to re-identify your browser and generate anonymous user profiles. These profiles are used to store certain non-personal technical information about your use of the service (such as your preferred language and any corrections you've made to your translations). We use this data to improve our translation service, train the algorithm, and obtain statistical data on the use of our service.

If you do not want an anonymous user profile to be generated for you, select the following box:

I refuse to have my user profile stored.

If you refuse to store your user profile, we will set a cookie that identifies your browser and allows us to exclude it from generating user profiles in the future.

Google Analytics

We use Google Analytics, a web analytics service provided by Google Inc. ("Google"). Google Analytics uses cookies to analyze your use of the website. The information generated by the cookie about your use of the website (including your truncated IP address) is transmitted to a Google-controlled server in the United States and stored there. Google uses this information to analyze your use of the website, compile reports on website activity, and provide other services relating to website and internet usage. Google may also share this information with third parties, where required by law or where such third parties process the data on Google's behalf. You can find specific information about Google's use of your data in the privacy policy.

Google policy: www.google.com/policies/privacy/

Deleting your data

If your data is no longer needed for the purposes indicated above, it will be deleted. If the data must be retained for legal reasons, it will be blocked and no longer available for use.

Right of access and corrections

Of course, you have the right, upon request, to inquire about the personal data we have stored about you. You also have the right to have any inaccurate data corrected and to have it blocked or deleted. For any inquiries, please contact us at the email address above or write to us at the postal address above.

Changes to the privacy policy

We reserve the right to change this privacy policy.
